Welcome to the MUSC Libraries!

1) Librarian Liaisons for Colleges/Programs: We would love to work with you!
The best resource we have available to support your teaching, research, and clinical needs is the library staff. Your liaison librarian, **Mrs. Ayaba Logan, MPH, MLIS, AHIP** is happy to assist you in meeting a variety of research and teaching needs including:

- Assisting you in the most efficient use of the Library's resources
- Performing literature searches on specific topics
- Helping you to verify a citation, or find that elusive article, person or fact
- Supporting grant applications
- Providing library instruction sessions tailored to your class or group
- Providing expert search services for systematic and integrative reviews, grant applications and much more

   Contact your liaison librarian: loganay@musc.edu or 843-792-4213

2) Personal Research Consultations
Schedule a one-on-one appointment with an Informationist for help with searching the literature, managing citations, downloading library-provided mobile apps, and more!

   a) Contact your liaison librarian: loganay@musc.edu or 843-792-4213
   b) Email us via Ask-a-Librarian
   c) Call main the number 843.792.2381
   d) Visit the Colbert Education Center & Library, which is centrally located on the Horseshoe. Informationist can be found on the 4th floor of the building. **Ayaba Logan is in Room 445**

3) Library Instruction
Informationist and Librarians are eager to help your students use the library’s resources to complete their coursework. We welcome an invitation to customize an instructional session to meet the learning goals of the student’s research assignment. This service connects students to the most appropriate research materials and promotes the development of effective and efficient research skills. Our goal is to help your students become information savvy life-long learners. We can host your class at the library in our classroom or we can teach in your building. FACULTY SHOULD KNOW ABOUT USING
THE MUSC LIBRARIES

5) Off-Campus Access to Electronic Resources
Access to electronic journals, books, and other electronic materials are available 24/7 to MUSC students, faculty, and staff. As you attempt to access MUSC-subscribed resources from off-campus, you will be prompted for your NetID and password. Upon entering this information, you will be granted access. For some PASCAL materials please register here Patron Registration: MUSC Employees.

6) Document Delivery and Interlibrary Loan
If we don’t own an item you need, it is likely that another library does. We can get copies of journal articles and book chapters for your educational, research, and clinical needs through our Document Delivery/Interlibrary Loan service. www.library.musc.edu/page.php?id=1011.

Requests for items needed for personal interests should be submitted using PASCAL Delivers. PASCAL Delivers is a rapid book-delivery service that enables students, faculty and staff across the state to request and receive books from academic libraries in South Carolina at their home institution in just a few business days. www.pascalcat.org. For some PASCAL materials please register here Patron Registration: MUSC Employees.

7) Purchasing Suggestions
We welcome suggestions for purchasing books or other materials that support the curriculum or your subject area. The library licenses over 300,000 electronic books for the campus, and we encourage you to review our e-book collection when selecting required text or reading material for your courses. http://sv8pr2wj7m.search.serialssolutions.com.

Purchase suggestions should be sent through our request form at http://www.library.musc.edu/page.php?id=1161 or to Jean Gudenas gudenas@musc.edu

8) Reserve Materials
Any needed item – book, journal article, book chapter, skulls, software programs – can be put on reserve for your students. Personal items as well as any item owned by the MUSC Library can be put on reserve for a class. www.library.musc.edu/page.php?id=1126.

9) Library Classrooms
Faculty may reserve a library computer classroom for their classes or exams. There are five classrooms with ceiling-mounted projectors, ranging from 12-28 workstations with dual Macintosh/Windows platforms. Request a room through our reservation form: http://www.library.musc.edu/page.php?id=1180.

10) MEDICA Digital Repository
MEDICA includes current scholarship of MUSC faculty and students, and historical materials from the Waring Historical Library. We hope that you and your students will upload your articles, dissertations, and other scholarly works for inclusion in MEDICA, http://medica.library.musc.edu or Tabitha Samuel samual@musc.edu
